Hall of Fame Regulations

The Snipe Class International Racing Association Hall of Fame (SCIRA Hall of Fame) honors individuals who have made outstanding contributions to the Snipe Class and Snipe competitions.

The past is strongly linked to the present: all these people have helped to promote and grow our Class in many countries and continents; many of these people are still strongly linked to the Class or have been, when they were alive, to form a large family, the Snipe Family, from great-grandparents to grandchildren. Past and present are strongly united in the Snipe Class.

1. THE SELECTION COMMITTEE

1.1 The Selection Committee shall consist of at least 5 members.

a) The Chair will be the Commodore or his/her delegate. The other members shall be appointed by the SCIRA Board of Directors, but at least 3 of them shall not be members of the SCIRA Board of Governors. The term will be 2 years and will be staggered for continuity.

b) The SCIRA Executive Director helps the Committee. The duties of the Executive Director shall include preparation of the agenda and minutes; handling correspondence; conducting balloting; and distribution of materials related to the business of the Committee.

c) The Committee shall meet as needed at the time and location of its choosing for the purpose of selecting the names of the nominees and voting for induction into the SCIRA Hall of Fame. Meetings can take place via video or teleconferencing.

2. CATEGORIES

2.1 Individuals can be selected from any of three categories:

Sailing	Achievements on the water by a sailor	
Technical / Design	Significantly contributed to technical aspects	Builder, sailmakers, measurers
Contributors	Made significant contributions to the Snipe Class	Coaches, Administrators, Officer, Promoter, Organizer

4. NOMINATIONS AND INDUCTION

4.1 Selection shall be made from nominations submitted by any individual, provided that the nomination is not anonymous. Submissions will be taken through notices posted on Snipe Class website. The notices will indicate the procedure for nomination and deadlines for submission to the Selection Committee.

4.2 Each member of the Selection Committee shall vote for his preferred nominees to select the inductees.

4.3 Candidates that are not inducted shall automatically be resubmitted into the candidate pool for the following year. The Selection Committee shall determine the number of inductees each year, taking into consideration the pool of nominees and the merits of each nominee.

5. CHANGES

5.1 The Board of Directors reserves the right to revoke, alter or amend these rules.

6. TIMELINES

6.1 A public call for nominations as stated in 4.1 for the Snipe Class International Hall of Fame shall be issued annually. Nominations shall be accepted from **March 1 through August 31** of each calendar year.

Note for the nomination process:
The SCIRA Hall of Fame is not a popularity contest, so a single nomination by one person will put that candidate up for consideration. Submitting the same person more than once or asking others to submit duplicate nominations will NOT help. It only adds to the workload of our volunteers.
