VENUE INFORMATION

REGATTA OFFICE

The championship will be sailed in Algarrobo Bay, about 110 km by road from Santiago International Airport (SCL). Algarrobo hosted the sailing events of the Santiago 2023 Pan American Games, including the Snipe, as well as South American Snipe and Optimist championships. Racing uses the reliable afternoon south-westerly sea breeze of the Chilean spring. The host club will be one of the two established yacht clubs on the bay, to be confirmed with SCIRA once the bid is accepted.
Race management team:
• Principal Race Officer: Cristian González, International Race Officer, who has already led international regattas; the race committee team ran the 2023 Western Hemisphere & Asia Championship and the Santiago 2023 Pan American Games sailing in Algarrobo.
• Race committee, mark-laying and on-water safety teams, with about 40 trained volunteers.
• An International Jury of three International Judges approved by SCIRA, as proposed for the 2025 Snipe Master World Championship in Chile, chaired by a judge from outside Chile and with at least one judge from outside South America.
• One International Measurer, supported by Chilean national measurers.
• A regatta office for registration, results and communications, with English-speaking staff.
Online entries and daily results will be published on the SCIRA championship website through Manage2Sail or SailTi, and all official communications will be in English. Separate areas will be provided for the regatta office and registration, jury hearings, the race committee, and press and media.
On the water, four dedicated support boats (race committee, mark laying, jury and the SCIRA photographer) will be supported by registered coach boats under the Sailing Instructions. Safety will be coordinated with the Port Captaincy of Algarrobo (Chilean Navy).
Designed for juniors and their families: most charter boats are already based in Algarrobo (no transport cost), and the Organizing Authority will offer and promote accommodation options for teams and families.
