#### REPRODUCIBLE PAGES

Lyric Sheets .....	46
Monthly Calendars .....	53

Note: For an "instant program," students may present the "month songs" (numbers 1–13 = approximately 20 minutes), or the "day songs" (numbers 14–20, then song number 1 = approximately 12 minutes). Students may connect these songs with poems about each day/month or with brief statements about their activities during these days/months.
