Starfire March

By Randall D. Standridge

Program Notes

The Galactic Empire is on the brink of war. Invasion is imminent. It is up to the fearless members of the Starfire Armada to fly bravely into battle to fend off the evil Starvaxian hordes and save the citizens of the empire from certain doom!

STARFIRE MARCH is the second part of the "Galactic Empire" series and the follow-up to STARFIRE FANFARE. The piece loosely follows march style to create an enjoyable march for developing musicians. The purpose of this series is to provide a collection of introductory pieces to 6/8 time that are accessible for younger players. Written in cinematic styles, the Starfire series tells the tale of the Galactic Empire and its heroes, the Starfire Armada.

Performance Notes:

-Please use the downloadable Rhythm Sheet and other educational materials to assist in teaching your students to play confidently in 6/8 time. You may find the materials on the product page for STARFIRE MARCH.

-This piece uses limited ranges and very limited rhythmic vocabulary to ensure that younger players are not overwhelmed with new information and are able to successfully achieve all of the goals and concepts put forth in the work.
