

Passamezzo Antico

Elias Nikolaus Ammerbach

Arranged by Carmen J. Gassi

Elias Nikolaus Ammerbach (c.1530-1597) was a German organist and arranger of organ music from the Renaissance. He published the earliest printed book of organ music in Germany. The *Passamezzo Antico* refers to a chord progression that was popular during the Renaissance and is still in use today. Your clarinet quartet will enjoy this challenging, but very approachable, interpretation of a set of dances originally written for the Renaissance organ.
