SWAHILI PRONUNCIATION GUIDE

Syllables in Swahili always end with a vowel, so a word like **changamano** is divided cha-nga-ma-no. The stress is always on the next to last syllable.

Cha-nga-ma-no (*chahn-gah-mah-noh*) - coming together, mixing with people

Moja moja (*moh-jah moh-jah*) - one by one

U-nga-ma-na (*oon-gah-mah-nah*) - be united, joined together, connected

Pa-mo-ja (*pah-moh-jah*) - all together

Si-si so-te (*see-see soh-ten*) - all of us

I-mbi-sha (*eem-bee-shah*) - strike up a song

Ki-pa-nde (*kee-pahn-deh*) - a small part of anything
