Christmas Gig Book 1

Various Composers

Arranged by David Marlatt

A “gig” is musical slang for a job. It is when an individual or group is hired to play at an event. It could be a private function, at a large concert hall or at a seniors center. This trio of famous carols could be used to spread the joy of the holiday season at a Christmas concert at a school or out in the community somewhere.

This collection is designed for developing players to enjoy fun arrangements of Christmas music at a suitable level. All ranges and technical requirements have the younger musician in mind while still allowing for all parts to be interesting and melody found throughout the ensemble. Pieces included here are: *Hark! The Herald Angels Sing*, *We Three Kings* and *We Wish You a Merry Christmas*.
