

Dino-Rock

W. T. Skye Garcia

Moderately, with a driving beat

mf

Man-y, man-y years a - go

4

Earth was not so ver - y old;

Di - no-saurs so big and

p

7

grand left their tracks up - on the land.

How they moved, these foot-prints show.

mf

10

They've been stud-ied care-ful - ly;

now the sci - en-tists a -
