mf

f

(a) In the Forkel ms this $b\flat$ is an octave lower. This and several other discrepancies in the Forkel version found their way into the Czerny edition.

(b) The fingering numbers in italics are from the Kirnberger ms. Schwencke P417 also has some fingering numbers which are generally in agreement with Kirnberger. The italic numbers below the notes are for left hand, and those above for right hand.
