The title track from the rock opera by The Who, now adapted for orchestra, will resonate today. The rock opera tells a timeless tale of coming of age set in the UK in the 1970s. *Quadrophenia* will delight audiences and players of all generations.

### PROGRAM NOTES

*Quadrophenia* is the classic rock opera created by The Who and released in 1973. It followed the success of *Tommy*, the first rock opera from the band. The tale is a timeless one of coming of age. It is set in the early 1970s in the UK. The feelings of searching and alienation are captured in the magical style of The Who. In 2015, an orchestral album titled *Classic Quadrophenia* was released in conjunction with the Royal Philharmonic Orchestra. This adaptation closely follows that album but is set perfectly for school or community orchestras.

### NOTE FROM THE EDITOR

All Belwin string parts have been carefully bowed and fingered appropriately by level. The Yellow Very Beginning series includes many bowings as well as reminder fingerings for first-time readers. The Red Beginning series includes frequent bowings to assist younger players. Fingerings for altered pitches are often marked. The Green Intermediate series includes appropriately placed bowings for middle-level students. Fingerings and positions are marked for notes beyond first position. The Blue Concert series includes bowings appropriate for the experienced high school player. Fingerings and position markings are indicated for difficult passages.
