Allegro *from the Flute Sonata*

George Philipp Telemann
Arranged by David Marlatt

The numerous chamber works of Georg Philipp Telemann (1681-1767), which are often unjustly underestimated, are well worth listening to. He was a very popular composer in his day and wrote music for many genres from operatic works to solo keyboard. This work is one movement from the Flute Sonata for flute and strings.

This is a tuba solo top to bottom. The accompanying voices should be sensitive to the soloist and play under that dynamic at all times.
