De Colores

Traditional

Arranged by David Marlatt

De Colores, or All the Colours, is a traditional Mexican Folk tune often performed by the famous Mariachi bands. This simple and elegant waltz has been arranged as a horn feature. The trombone adds a harmony voice to the soloist and the two trumpets play their traditional roll in a Mariachi band which is to add colour and fill gaps in the melody.

All the colours that brighten the fields bring reflections of sunshine.
All the colours and songs of the birds bring the wonders of springtime.
All the colours that shine through the rainbow bring beautiful light.
And my heart overflows with the joys and colours of springtime, so now filled with love.
