

A very important story

As a beginner the most important thing is the development of careful playing habits. Always be sure of these things:

1. Proper position - lips, hands, fingers, posture, etc.

2. Always get a pretty and pleasant tone with no wavers.

3. Tongue all notes correctly.

4. Blow plenty of AIR through the horn.

5. Always LISTEN carefully.

New Note

Harmony*

Always count steady.

* See Note below ⑥ on Page 7.

Mary's Little Lamb

Half Notes and Rests

TONGUE EVERY NOTE

ALWAYS LOOK AHEAD

Holiday In Paris (Duet)

* See Note below ⑥ on Page 7.

Saxophone Extra

* HARMONY - Two or more Tones played at the same time that have a pleasing sound.
