PROGRAM NOTES

Written for the composer's granddaughter, *FAITH'S WALTZ* is in the key of G major and serves as a good opportunity to reinforce the scale and its fingering while playing in an ensemble preparing for a performance. This piece provides practice for the violins and violas "0-1-2-3-4" finger pattern on the G and D strings, as well as a two-octave scale for the violins and a one-octave scale for the violas and basses. All students are given a chance to play the melody. For a perfect performance, focus on a legato, cantabile style. Enjoy and have fun!

NOTE FROM THE EDITOR

All Belwin string parts have been carefully bowed and fingered appropriately by level. The Yellow Very Beginning series includes many bowings as well as reminder fingerings for first-time readers. The Red Beginning series includes frequent bowings to assist younger players. Fingerings for altered pitches are often marked. The Green Intermediate series includes appropriately placed bowings for middle-level students. Fingerings and positions are marked for notes beyond first position. The Blue Concert series includes bowings appropriate for the experienced high school player. Fingerings and position markings are indicated for difficult passages.
