INTRODUCTION

FOR THE STUDENT: This material is part of the worldwide Suzuki Method® of teaching. The companion recording should be used along with this publication. A piano accompaniment book is also available for this material.

FOR THE TEACHER: In order to be an effective Suzuki teacher, ongoing education is encouraged. Each regional Suzuki association provides teacher development for its membership via conferences, institutes, short-term and long-term programs. In order to remain current, you are encouraged to become a member of your regional Suzuki association, and if not already included, the International Suzuki Association.

FOR THE PARENT: Credentials are essential for any teacher you choose. We recommend you ask your teacher for his or her credentials, especially those relating to training in the Suzuki Method®. The Suzuki Method® experience should foster a positive relationship among the teacher, parent and child. Choosing the right teacher is of the utmost importance.

Under the guidance of Dr. Suzuki since 1978, the editing of the Suzuki Cello School is a continuing cooperative effort of the Cello Committees from Talent Education Japan, the European Suzuki Association and the Suzuki Association of the Americas.
