SLUMBER MUSIC

To the Director:

Richard Meyer has composed a beautiful lullaby for grade 2 groups and beyond. Alternate fingerings will challenge older students but all players will enjoy the melodic substance of their parts. The piece offers opportunities for developing dynamic contrasts, phrasing and balance-skill concepts in a technically accessible context. The viola and bass parts are not independent but contain interesting melodic material.

From the String Editor...

This arrangement/composition is designed to give a variety of performance and teaching options to groups of widely differing ability levels and instrumentation. Toward that end, alternate fingerings, bowings and/or parts have been provided where appropriate.

- All bowings and fingerings are in the score and parts.
- Each measure is numbered in the score and parts for easy reference in rehearsal.
- Standard fingerings are above the staff and alternate fingerings are below in parentheses. Alternate fingerings are usually for more advanced players.
- KEYS TO SYMBOLS: (Depending on the composition, some symbols may not be applicable)

x	= go into extended hand position
-	= shift
1-4	= standard fingerings (used as reminders or position indicators)
(1-4)	= alternate fingerings (usually more advanced)
■/v	= sometimes used instead of dots under the slur
(■)/(v)	= alternate bowings, staggered bow changes or retake
,	= lift/retake
↑/↓	= high/low finger placement
WB	= use a whole bow
LH	= play in the lower half of the bow
M	= play in the middle of the bow
UH	= play in the upper half of the bow
Fr	= start at the frog
Tip	= start at the tip

I hope these features will simplify and clarify the teaching/rehearsal process. Your suggestions are welcomed.
