## Things to remember

- 🎵 Start each note with your tongue.
- 🎵 Don't puff your cheeks.
- 🎵 Always breathe through your mouth.
- 🎵 A tick (✓) means 'take a breath'.
- 🎵 Count the beats in time as you play.

A complete list of fingering diagrams can be found on pages 68–9.

## Quavers

The value of a **quaver** is half of a **crotchet** (two **quavers** = one **crotchet**).

**Quavers** on their own look like this

They are usually written in groups of two or four to make them easier to read.

Count quavers like this:
