

Wolfgang Amadeus Mozart was a fine pianist and composer. He toured much of Europe from an early age, giving concerts that his father Leopold arranged for him and his sister. This theme is from the first movement of a piano sonata that is one of the easiest Mozart composed. He intended it as a teaching piece for beginners, and it was not published during his lifetime.

Theme from
Sonata in C Major

Wolfgang Amadeus Mozart (1756–1791)

K. 545
