

Just Chillin’

Ryan Meeboer

Just Chillin’ is a fun, laid back funk-rock chart with simple repetitive melodies and a catchy accompaniment.

The song takes on the traditional AABA form, with the A melody being made up of a simple motif, and the B section primarily created by a call and response form. During the A sections, the accompaniment parts should be balanced amongst themselves, but melodic content should be prominent. In the B section, all parts should be performed with equal importance. Solos are written in, however chords changes are also provided if performers prefer to improvise. Finally, keep it laid back, yet energetic, and be sure to have fun playing it.
