1. INVENTIONS ROCK OUR WORLD

Words and Music by
LOIS BROWNSEY and MARTI LUNN LANTZ

People have invented things, from the simple to the sublime,
To help make their lives easier ever since the beginning of time.
Things we take for granted were not always around.
We've learned of some important inventions: here is what we've found.

Motown feel (♩ = ca. 132-138)
