A Winter's Journey

By Randall D. Standridge

Program Notes

The inspiration for this piece started with a phone call.

My husband, Steven, and I were driving to visit family when the phone rang. It was my niece, Kyleigh—calling, as she always does, to ask one very important question:

"How far away are you?"

Without missing a beat, Steven smiled and said, "We're coming over the river and through the woods!"

And just like that, the idea for **A Winter's Journey** was born.

This piece is a joyful, rhythmic celebration of winter travel and the people waiting at the other end of the road. Using the familiar melody of *Over the River and Through the Wood* as its foundation, I've combined it with original material to create a fast-paced ride in a compound 12/8 meter—perfect for evoking the gallop of hooves, the jingle of bells, and the crisp energy of a snowy day.

The piece opens with a festive burst of momentum, full of active percussion, colorful scoring, and melodic moments for every section of the band. In the middle section, the mood turns more reflective and nostalgic—as if we're remembering winters past, warm fires, and familiar faces. Then, the music takes off again, building to a triumphant and energetic finale.

A Winter's Journey is a Grade 3–3.5 secular work that's equally at home in a winter concert or festival setting. It's meant to bring smiles, movement, and a little sparkle to the season.

As much as I love being "the composer," I'm also proud to be "Uncle Randy." When I'm not writing music, you'll probably find me at a cheer competition, a little league game, or just hanging out and being the goofy grown-up in the room.

This piece is dedicated to Kyleigh, who I would travel a million miles to see.
(Though luckily, she usually just calls after about 15 minutes.)

Peace, Love, and Music – "Uncle" Randy Standy

Rehearsal suggestions

- The tempo of this work is critical to its character. When planning your preparation, make sure to allow time for proper technical development to achieve the written tempos, lest the work come off as "boring."
- Dynamics should be noticeable and taken to extremes.
- Percussion should be on the higher end of dynamic balance. Do not hide them.

About the Composer

Randall Standridge (b.1976) received his Bachelor's of Music Education from Arkansas State University. During this time, he studied composition with Dr. Tom O'Connor before returning to Arkansas State University to earn his Master's in Music Composition, studying with Dr. Tom O'Connor and Dr. Tim Crist. In 2001, he began his tenure as Director of Bands at Harrisburg High School in Harrisburg, Arkansas. He left this post in 2013 to pursue a career as a full-time composer and marching arts designer.

Mr. Standridge's music is performed internationally. He has had numerous works selected for the J.W. Pepper's editor's choice. His compositions *Snake Charmer*, *Gently Blows the Summer Wind*, and *Angelic Celebrations* have been included in the "Teaching Music Through Performance in Band" series. He has had numerous works performed at the prestigious Midwest Clinic in Chicago, Illinois. The Arkansas State University Wind Ensemble premiered his work *Art(isms)* at the 2010 CBDNA conference in Las Cruces, New Mexico, and his work *Stonewall: 1969* was premiered at the National LGBA conference in 2019. His *Symphony no.1: A Ghost Story* was premiered in 2023. In addition, Mr. Standridge's "unBroken Project," a musical initiative about mental health, has received widespread acclaim for its musical content and for providing opportunities to normalize discussions about mental health for music students and audiences.

In addition to his career as a composer, Mr. Standridge is the owner and editor of Randall Standridge Music, LLC and Grand Mesa Marching. He is in demand as an arranger/designer for the marching arts. He lives in Jonesboro, Arkansas, with his husband, Steven, and their very, very spoiled pets.
