

Windscape

David Marlatt

Windscape opens with *The Winds from the North*. The driving bass line combined with the punctuated shots represent the bitter winds that blow into Ontario in the winter time. This moves into *The Winds of Change*. This has a shifty but steady pulse that features melody in the trumpet at first and then a counter melody is added the horn. Crystal glasses and a lone horn are the featured sonorities in *The Winds of Mystery*. *The Winds of Change* then reappears and, with several sidebar introductions of new rhythmic and melodic material, the piece ends as it should - driving and enthusiastic.

The crystal glasses part starting at 53 could be tuned to D and G concert or they could be random pitches to create an eerie effect.
