

Snow

About the canon

A canon with a lovely atmosphere: Winter time! This canon is about making the best snow balls, throwing them and watching others throw. It has a playful character and should be performed as such. Voices 1 and 4 may show an endless flow and voices 2 and 3 a merry rhythm.

Videos

A Tutorial for the singers

B Instructions for the conductor

C Performance

All movements in the instructional videos are mirrored which means that, for instance, our left arm is your right arm. In all the performance videos it is the other way around. The singers on the video show how your singers should perform it.

Additional scores

The Media App offers the score for the choir and the piano accompaniment in original key (**D minor**) and transposed (**Eb minor**).
