

Early One Morning

Traditional English Folk Song

This folk song is particularly notable for its use in a number of well known folk-song arrangements, for example its usage in the opening bars of the BBC Radio 4 UK Theme by Fritz Spiegl, which until April 2006 was played every morning at 5:30 a.m. Another notable arrangement of the song is by the English composer Benjamin Britten.

Perhaps the most gentle yet long lived use of this tune rests with the Canadian Broadcasting Corporation (CBC) children's programme *The Friendly Giant* which aired between 1958 to 1985 and used *Early One Morning* as its introductory theme. The music was played on recorder by Bob Homme, who passed away in May 2000.

Early one morning
Just as the sun was rising,
I heard a maid sing,
In the valley below.

Flexible Junior Brass Band Series

This series allows the maximum in flexibility for developing brass musicians in the British Brass Band tradition. Each composition or arrangement has 7 unique parts with various percussion. Each part has several different transposition options. This allows for performance with as few players as 7 or performance by a full band instrumentation. There are also bass clef parts provided for the trombones, baritones, euphoniums and tubas for those players coming from a concert band tradition that are not yet comfortable reading treble clef. The range, endurance and technical demands are all carefully considered when writing for less experienced players.
