* If you are using only *Guitar Rock Shop 1*, and not *Guitar Method 1*, this book will be especially useful to you because it gives you the opportunity to learn single-note melodies and standard chords. I suggest beginning any of the song melodies after page 23 of *Guitar Rock Shop 1*. The rhythm guitar parts to 409 and *Tube Snake Boogie* should be begun after page 43.

Telstar

Surf-rock instrumentals became popular in the early '60s. Built around the reverberated sound of Dick Dale, Duane Eddy, and the Ventures, these guitar showcases became major influences on the development of the guitar as a lead instrument in rock. *Telstar*, by the English group The Tornados was the number one song in the country, November 1962.
