Hanukkah Swing

Traditional Yiddish Song

Arranged by Ryan Meeboer

This is a fun, traditional Hanukkah song arranged in a jump swing style. From beginning to end, the chart is full of high energy, and incorporates hints of classic swing tunes. The chart mostly contains of block chords with a simple repetitive bass line. All parts throughout these sections are equally important, so be sure to maintain balance throughout.

Although there is a written solo for the trumpet, chord changes are included, allowing opportunity for improvisation. During this solo, be sure the tuba maintains a steady tempo, and the backgrounds (starting at measure 52) do not overpower the soloist. Finally, in the final measures of the piece, be sure the energy and volume stays high, right through to the very last note of the chart.
