MARCH OF THE NUTCRACKER

Always a favorite with audiences and performers, this familiar march has been skillfully arranged for string orchestra, keeping the excitement and energy of the original intact. The cross rhythms, accidentals, and virtuosic middle section featuring first violins, make this selection an outstanding teaching tool for the developing string orchestra. Use it with Highland/Etling's other *Nutcracker* arrangements (Gruselle's *Trepak* and Meyer's *Dance of the Toy Flutes*) to create your own miniature *Nutcracker Suite*!
