

Texas Charter School Academic & Athletic League (TCSAAL)
Baseball Rules & General Procedures
2025-2026 Season

TCSAAL will primarily follow the NFHS Baseball Rule Book.

FIELD DIMENSIONS

- i. 6th-8th Grade and High School teams will play on a field with 60' pitching dimensions and 90' base dimensions.
- ii. Regions may opt to allow for 6th-8th Grade teams to play on a smaller field, but this will be taken on a case-by-case basis between the teams involved and the TCSAAL Regional Director. However, the State Tournament will be played with 60' pitching dimensions and 90' base dimensions.

EQUIPMENT

TCSAAL will primarily follow NFHS Equipment guidelines. The home team shall wear dark-color uniforms, and the visiting team shall wear light-color uniforms. If the home team would like to wear light uniforms, they need to inform the visiting team at least 48 hours prior to game time so they can plan accordingly.

BASEBALL BAT RULES

All 6th-8th Grade Baseball teams will be subject to the following regulations regarding bats:
Big Barrel Bat Rules (2 5/8" or 2 3/4") – Must have the new permanent USSSA Mark on its taper OR be a qualified BBCOR bat. TCSAAL does not allow wooden bats.

All TCSAAL High School Baseball teams will follow NFHS BBCOR regulations. TCSAAL does not allow wooden bats. NFHS BBCOR Approved Bats: <https://www.mme.wsu-ssl.org/public/CertifiedBats>.

Exception: TCSAAL will not enforce article 4 of the uniforms section concerning logos.

DURATION OF GAME

Art. i)

In all regular season games, TCSAAL will enforce the following in regard to duration of gameplay:

- End-of-Game Procedure
 - For games during the regular season that are being played at a facility WITHOUT reservation restrictions and/or lighting restrictions:
 - A new inning cannot take place following the 1 hour 30 minute mark for 6th-8th Grade or 1 hour 45 minute mark for High School.
 - At the 1 hour 30 minute mark for 6th-8th Grade or 1 hour 45 minute mark for High School, the current inning will be played out to complete the game.
 - If the score is tied at the end of the inning, the score will remain tied and the game will finish with a tie score.
 - In summation, end-of-game procedure will be as follows for regular season games played at facilities WITHOUT facility/lighting restrictions:
 - 6th-8th Grade:
 - New innings CANNOT take place after the 1 hour 30 minute mark
 - Complete the inning
 - High School:
 - New innings CANNOT take place after the 1 hour 45 minute mark
 - Complete the inning
 - For games during the regular season that are being played at a facility WITH reservation restrictions and/or lighting restrictions, TCSAAL games will enforce a “drop dead time regulation rule.” For 6th-8th Grade regular season games with facility/lighting restrictions,

regular season games will conclude at 1 hour 45 minutes. For High School regular season games with facility/lighting restrictions, regular season games will conclude at 2.0 hours.

- In summation, end-of-game procedure will be as follows for regular season games played at facilities WITH facility/lighting restrictions:
 - 6th-8th Grade:
 - Games will end at the 1 hour 45 minute mark.
 - High School:
 - Games will end at the 2.0 hour mark.
- Scoring rules for regular season games that are being played at a facility WITH facility/lighting restrictions that therefore require the drop dead time regulation:
 - The score reverts back one full inning, with the exception of if the home team is up to bat when time runs out. In that case, the score stands as is. If the game is tied after time runs out while home team is batting or after reverting back on full inning if visitors were up when time ran out, then it is declared a tie game.
- Regular season games for Varsity Baseball will have a 10-run cap per inning.
 - **EXCEPTION:** If the losing team is down by 10+ runs, this rule will not take effect unless the losing team retakes the lead. If a team retakes the lead after having a 10+ run deficit, their half of the inning is over.
- Regular season games for Middle School (6th-8th Grade) Baseball will have a 5-run cap per inning.
 - **EXCEPTION:** If the losing team is down by 5+ runs, this rule will not take effect unless the losing team retakes the lead. If a team retakes the lead after having a 5+ run deficit, their half of the inning is over.
- TCSAAL will also enforce the following mercy rule: The game shall end if either team is behind 15 or more runs following 3 complete innings or 10 or more runs after 4 complete innings.

Art. ii)

In addition to regular season games, TCSAAL will utilize the same timing regulations / restrictions (detailed above – Art. i.) for TCSAAL playoff games, as well as run-rule per inning and mercy rule regulations.

Art. iii)

At the State Tournament, home team designation will be determined first by winning percentage, then total number of wins (if winning percentage is tied), then a coin flip (if total number of wins is tied). However, if both teams have undefeated records, the home team will be determined by a coin flip.

Art. iv)

All TCSAAL Varsity Baseball games will be capped at 7 innings. All TCSAAL 6th-8th Grade Baseball games will be capped at 6 innings. **Playoff games will operate off of the same timing, run-rule, and mercy rule regulations in addition to the regular season games.**

Art. v)

In all regular season games in which games end in a tie by virtue of the time ruling or the inning ruling, said game will finish as a tied game. Only playoff games will result in extra innings (tie-breakers and regional/state tournaments).

All other Regular Season requirements remain in-effect for Playoff Games other than the volunteer roles described above.

Any rules not covered in these rules will follow NFHS rulebook.
