

PLAYOFFS

SETU ARENA, WATERFORD - JUNE 2026

Inline Hockey Ireland is the National Governing Body for inline hockey, and the Playoff Weekend is our annual finals event. This event sees the top teams across the country; from Under 13 to Senior Elite competing across the weekend to be crowned Irish Champions.

This event truly brings many people together with clubs hailing from North, South, East and West.

We continue to grow our headline event year on year with more engagement and content creation as we work to enhance the player and fan experience. Our 2026 event will see over 230 competitors and 300 spectators descend on SETU Arena in Waterford with further viewership online via live streams and highlight videos.

IT'S TIME TO GET YOUR SKATES ON! WE HAVE SOME EXCITING OPPORTUNITIES AND WANT YOU ON OUR TEAM

The All Ireland Playoffs event allows many mediums to promote sponsors across the weekend and beyond both in person and online. Being a non-traditional sport we are working tirelessly to be more recognisable across the isle hence the motivation to form partnerships with distinguished local businesses. Unsure what inline hockey is? Then we invite you to check out our social media pages (Youtube, Instagram, Facebook).
